# *Event Overview*

## **Mission Statement:**

The Bailey Mountain International Folk Festival is a vibrant celebration of global dance and music, uniting artists, and audiences from diverse cultures to share their traditions, creativity, and passion. Through performances, workshops, and collaborative experiences, we foster cultural exchange, artistic innovation, and a deeper appreciation of the world's rich artistic heritage. Our mission is to inspire, connect, and uplift communities through the universal languages of dance and music.

The Bailey Mountain Cloggers have experienced these cultural exchanges internationally for thirty plus years and we want to share those experiences with the community of Western North Carolina - where the world will meet soon.
